CELEBRATING 25 YEARS
Here are some of our accomplishments from 2013 that we achieved with your help:

**Help for Abused and Neglected Children**

Successfully lobbied for a new law that requires an alternative response plan for some Child Protective Services reports, revives a legislative CPS Oversight Committee, and requires specific reports and recommendations on behavioral health services for children in foster care.

Re-directed a dangerous proposal that would have allowed families to care for foster children without sufficient training and qualifications. The law ultimately passed by the state legislature reduces administrative burdens so more children can live in safe and caring foster families.

Opened new educational opportunities for youth who lived in foster care with a pilot project to reduce tuition payments for community colleges and state universities.

**Stronger Families**

Beat back a dangerous TABOR proposal that would have pressured lawmakers to design the state budget with a flawed formula that leaves children and families behind.

Empowered grandparents raising their grandchildren to secure $1 million in the state budget for monthly stipends for struggling grandfamilies.

Through our advocacy efforts, secured $14 million in state funding for child care assistance and family support.

**Research, Information and Advocacy**

Distributed manual for community groups to find available health resources for Arizona families.

Published *Growing up Poor in Arizona: State Policy at a Crossroads* showing that Arizona has abandoned most of the tools that move families from welfare to work.

Updated 30 fact sheets that profile the well-being of children in each of the state legislative districts.

Created new fact sheets to highlight issues of grandparents who are raising their grandchildren.

**Connecting People to Policy**

Mobilized hundreds of youth, service providers, foster parents, and community leaders to develop an action plan to link former foster youth with more opportunities for a successful transition to adulthood.

Co-sponsored the Fourteenth Annual Southern Arizona Legislative Breakfast with more than 100 participants.

Hosted a Statewide Grandparent Summit for more than 100 grandparents and advocates.

Connected 1,503 constituents to their lawmakers through our e-Advocacy campaigns.

**Accessible Health Care for Children and Families**

Spearheaded the Kids Health Link Coalition, which helped more than 7,000 families complete applications for KidsCare or AHCCCS health insurance.

Coordinated successful coalition, outreach, and communications strategies to link uninsured children with health coverage through the temporary KidsCare II programs.
2013 Income: $2,263,881
