**The Percentage of AZ Children Without Health Insurance Has Been Dropping Since the Start of Obamacare**

Source: U.S. Census Bureau, 2008-2014 American Community Survey, 1 Year Estimates

**AZ Children of Color More Likely to be Uninsured**

With lower rates of health care coverage, children of color are at higher risk to perform worse in school, go without preventive health care such as vaccinations and screenings, get sick more often, and experience developmental delays.
