Children’s Action Alliance is an independent voice for Arizona’s children at the state capitol and in the community working to improve children’s health, education and security through information and action.

Arizona’s children are safer and healthier, thanks to you and Children’s Action Alliance.

- **199** YOUNG ADULTS who lived in foster care now have access to a college education with a tuition waiver
- **>2,500** CHILDREN being raised by their grandparents or other relatives have more stability thanks to a small financial stipend
- **30,000** CHILDREN in working families have more access to quality early learning through improved child care policies
- **>750,000** ARIZONA CHILDREN can still count on affordable health coverage through Medicaid and KidsCare

Children’s Action Alliance works toward the day when all children in Arizona will have a safe place to call home, excellent educational opportunities from child care through high school and beyond, and the health care and stability they need to grow up strong. CAA empowers Arizonans to shape the future. We bring people together across generations and political parties to learn about the issues and to make children’s voices heard.
