

Our Vision

An Arizona where all children and families thrive.

Our Community

Needs access to high-quality and equitable education, health care, child well-being services, and employment

Empowered, engaged, and knowledgeable communities, especially parents and children

Deserves government that is transparent, inclusive, and responsive to communities

Requires equitable access to and distribution of resources

Our Plan

Set the bar for good:

describing and defining what Arizonans really need to thrive.

Expose Inequity:

documenting, contextualizing, and exposing inequities in policies, programs, procedures, and practices to change them.

Drive Accountability:

holding leaders accountable for decisions and their implications, through both celebration and critique.

Mobilize and Influence:

engaging community to develop solutions and take action in pursuit of impact.

Our Strategic Priorities

Grow CAA's direct policy influence.

Inform, affect, and change policy in Arizona by using available tools and developing new ones.

Strengthen CAA's employee experience.

Ensure a strong and healthy team culture.

Develop CAA's distinctive "Path to Partnership".

Establish and put into action CAA's signature approach to work in the community.

Grow sustainable and values-aligned revenue for CAA.

Secure resources for CAA that align with our commitments and Theory of Change.
